

**BAD ZWESTEN:** 34596 Hesse (Gerz, Peters)

{10552} We also visited this cemetery in June 1995. It is located on B 485 Wildunger Strasse, but accessed on Bergstrasse. It is in excellent, locked condition with many of the old stones cleaned and their Hebrew letters filled in with black paint for easier reading. The key is available through: Burgermeister, Stadt Zwesten Stadthalle, 3584 Zwesten, Germany requesting the names.
