

San Daniele dei Friuli is in northeastern Italy near Trieste.

Via delle Valli Cemetery: The cemetery just outside of San Daniele dei Friuli is a walled area, with large entry gate, and is well kept with tall trees. Although it is closed, a key can be requested from the town officials. See "Friuli Venezia Giulia, Itinerari Ebraici, I luoghi, la storia, l'arte" published by Marsilio Editore, Venezia, Authors, Cusin and Zorattini. There is a Jewish cemetery in Trieste and also in Gorizia. There are Hebrew inscribed tombstones in the Archeological Museum in Cividale, where there is also a street named "Strada degli Ebrei".
