- **Old Cemetery:** mid-1850s to late 1890. The key to the older cemetery can be obtained from Room 9 Ville de Luxembourg, Etat Civil, B.P.42, 2010 Luxembourg. Located on rue Jules Wilhelm [Passge de Treves] above the Tower (an old entrance to the city).

- **New Cemetery:** Still active. Located at 10 rue des Ceriseres. Collecting data would require days because of so many gravesites. Tombstones are in German, French and Hebrew. Source: Pierre M. Hahn [Pierre28@pacbell.net](mailto:Pierre28@pacbell.net)
