

**Dodgeville Jewish Cemetery:** Source: [Lewis Chilton](#), Northridge, CA. Between Attleboro, MA and Rhode Island, the site appeared abandoned in 1986, but cemetery restoration resulted from rejuvenation of the local synagogue, Temple Agudas Achim, and the installation of a dynamic rabbi, Gail Diamond. The active cemetery has been refurbished. Dr. Schwartz has the card file and possibly a cemetery database. [updated August 2009]
