

US Commission No. SLCE000262

Chyndice is located E of Nitra. The isolated rural/agricultural flat land has no sign or marker. Reached by crossing a field and open to all via broken masonry wall and no gate. 1-20 granite and sandstone 19th-20th century flat shaped stones, finely smoothed and inscribes stones, or double tombstones are in original locations with Hebrew and German inscriptions. Adjacent properties are agricultural. Private visitors stop rarely. Pollution and vegetation are serious threats, disturbing graves. Vandalism is a very serious threat; Security is a minor threat.

January 2009: Two villages named Chyndice exist in Nitra: Malé Chyndice and Vel'ke Chyndice - Region Nitriansky / District Nitra. See [map](#)
