

US Commission No. SLCE000103

Neporadza is located E of Rimavska Sobota. Between fields and woods, the crown of a hill is separate but near other cemeteries with no sign or marker. Reached by crossing a public field, access is open to all with no wall or gate. Two 19th century marble flat shaped tombstones with Hebrew inscriptions are in original locations. Unknown property owner uses site for waste dump or abandoned [unclear]. Adjacent properties are agricultural. Private visitors stop rarely. No threats.
