

US Commission No. SLCE000215

Solosnica is located in Senica, NE of Malacky. The isolated rural/agricultural hillside has no sign or marker. Reached by turning off a public road, access is open to all with no walls or gate. 1-20 20th century marble and granite flat shaped tombstones or finely smoothed and inscribed tombstones with Hebrew and German inscriptions are in original locations. Adjacent properties are agricultural. Private visitors stop rarely. Security is a moderate threat; vandalism is a very serious threat.
