

US Commission No. SLCE000078

Sucany is located NE of Martin. The flat urban location with no sign or marker is part of a municipal cemetery. Reached by turning directly off a public road, access is open to all via a broken fence and a locking gate. 20-100 19th-20th century marble and sandstone flat shaped tombstones with Hebrew inscriptions are in original locations. The property is used for Jewish cemetery only. Adjacent properties are agricultural and cemetery. Occasionally, private visitors stop. Vegetation was cleared. Now, individuals clean or clean occasionally. Vegetation is a moderate threat.
